

May 2022

Even with all the pandemic challenges, this school year has simply flown by! We are honored and blessed that you have chosen to share your child with us at St. Luke.

Thank you for the numerous ways in which you have supported the preschool throughout this year — from your kind and supportive words, and adherence to all things COVID, to shopping at our book fair, providing feedback through our survey, giving us a review, telling your friends about us and everything in between! We are blessed and grateful for you.

From Our

Just a reminder — unless you have a previous outstanding balance, you will not receive a tuition invoice for May, since the initial deposit you already paid will be applied to May's tuition. You will however, receive an invoice if you have extended care fees, drop-ins and ACH fees from April. For your May payment, you will not be able to pay online, as we don't want you to incur a fee for paying online. Please bring your payment by the office or put it in the mail by May 5th.

We thank you for your prompt payment and please let me know if you have any questions!

Michelle

**August 15:** First Day of School — 7:00 am for extended care and 9:00 am for preschool.

The preschool will be closed May 24-30 and will reopen on Tuesday, May 31 for the first day of Summer Camp.

## Family Meet and Greet Times

We will be hosting Family Meet and Greet times for Summer Camp and the School Year!

### Summer Camp Meet and Greets For Those Children Who Are New to St. Luke Preschool:

On Monday, May 23, between 10:00—4:30 pm, children who are new to St. Luke and their families are invited to meet the Summer Camp teachers and spend about 20 minutes in the classrooms. A Sign Up Genius will be sent to those families that are eligible. Our Summer Camp Meet and Greets offer the opportunity for families and teachers to make connections and get to know one another, for children to acclimate to the classrooms, and serve to support children as they transition into the program.

### School Year Meet and Greets:

On Wednesday, August 10, and Thursday, August 11, all children and their families are invited to meet the School Year teachers and spend about 20 minutes in the classrooms. Family Meet and Greet times are the perfect opportunity for parents, children, and teachers to begin forming relationships with one another. They are also a great time for parents to discuss goals they have for their child and for children to explore the classrooms. We welcome this opportunity to share our programs with you, and answer questions you may have, as well as help your child with the transition into the new school year.

Sign-ups for Summer Camp Meet and Greets and School Year Meet and Greets will take place through Sign-Up Genius and will be sent to you by e-mail.

## St. Luke T-Shirt Spirit Days for May

Wednesday, May 18th and  
Thursday, May 19th

Your child can wear his/ her  
St. Luke t-shirt for Spirit Days  
or any day!

We are looking to hire one educational assistant for the PM Extended Care portion of the day (2:30 pm-5:30 pm) and one educational assistant to serve as a floater (8:45 am-2:15 pm). Both of these positions are for the 2022—2023 school year and will begin in August.

If you know someone who is passionate about working with young children and their families, please let them know about us!

## Financial Assistance Important Reminder

Applications for tuition assistance (based on need) are due along with supporting documentation by Monday, May 2nd.

Thank you for your tremendous support of the Scholastic Book Fair!

A total of \$2,663.06 in purchases generated \$1,065.22 in Scholastic Dollars for the classrooms! Thank you as well for all the books that were purchased and donated to the classrooms. :)

## Illness Policy (Still the Same—No Updates)

Thank you for helping us adhere to the mandates set by the Early Childhood Education and Care Department (ECECD). **Your willingness to partner with us truly makes all the difference.**

- Call the preschool office at 292-8812 or send an e-mail to both Lori and Jane (stlucesc@thuntek.net **and** stlukepreschool1956@gmail.com) any time your child will be absent, even if he/ she is not sick.
- In the event your child is positive for COVID or has had a direct exposure, observe a 5 day quarantine, and provide us with test results, if you are able to obtain them. If your child tests positive with a home rapid test, it is not necessary to take an additional PCR test. Any positive test is considered positive. Children (and staff) can return to the preschool after a 5 day quarantine, provided they have been fever free, without medication, for 24 hours and symptoms are resolving (**two or less symptoms**). **Children and non-vaccinated staff are required to wear a mask at the preschool for 5 additional days after having tested positive.**
- In order to return to the preschool, following a non-COVID related illness, children (and staff) must be **fever free (without medication), diarrhea free, and vomiting free for 24 hours, and exhibit two or less symptoms. Children must also be able to participate in the school day successfully with respect to energy level and engagement.**

If your child becomes ill while at school, you will be called to pick him/ her up within 30 minutes of receiving the call. Please be sure to keep your contact information updated with us and let us know of any questions you may have.

Thank you to Preschool Parent, Mary Fidler, and the Goatcher Family of Samon's Electric and Plumbing Supply for their wonderful donation of confetti eggs! The children had a marvelous time smashing confetti eggs out on the playground!

## 2022 Parent Survey Results
